6 A, B, E, and F of such title of the Act are repealed.

7 **TITLE IV—GENERAL**

10 Title V of the Act is amended to read as follows:

11 **“TITLE IV—GENERAL**
12 **PROVISIONS**

13 **“PART A—FEDERAL ADMINISTRATIVE**
14 **PROVISIONS**

15 **“SEC. 401. PAYMENTS.**

16 “The Secretary shall pay from its allotment under
17 section 101 to each State for any fiscal year for which
18 the State has a State application submitted in accordance
19 with section 113 (including any amendment to such appli-
20 cation) the Federal share of the costs of carrying out the
21 State application.

22 **“SEC. 402. FISCAL REQUIREMENTS.**

23 “(a) SUPPLEMENT NOT SUPPLANT.—Funds received
24 under this Act shall be used to supplement, not supplant,
25 the amount of funds that would, in the absence of such

1 Federal funds, be made available from non-Federal
2 sources for vocational-technical education programs.

3 “(b) MAINTENANCE OF EFFORT.—

4 “(1) DETERMINATION.—

5 “(A) IN GENERAL.—Except as provided in
6 subparagraphs (B) and (C), no payments shall
7 be made under this title for any fiscal year to
8 a State for vocational-technical education pro-
9 grams unless the Secretary of Education deter-
10 mines that the fiscal effort per student or the
11 aggregate expenditures of such State for voca-
12 tional-technical programs for the fiscal year
13 preceding the fiscal year for which the deter-
14 mination is made, equaled or exceeded such ef-
15 fort or expenditures for vocational-technical
16 education programs, for the second fiscal year
17 preceding the fiscal year for which the deter-
18 mination is made.

19 “(B) COMPUTATION.—In computing the
20 fiscal effort or aggregate expenditures pursuant
21 to subparagraph (A), the Secretary of Edu-
22 cation shall exclude capital expenditures, special
23 one-time project costs, and the cost of pilot pro-
24 grams.

3 technical education programs under this Act for
4 a fiscal year is less than the amount made

7 year, then the fiscal effort per student or the

10 shall be decreased by the same percentage as
11 the percentage decrease in the amount so made
12 available.

13 “(2) WAIVER.—The Secretary may waive the
14 requirements of paragraph (1) (with respect to not
15 more than 5 percent of expenditures required for the
16 preceding fiscal year by any State) for 1 program
17 year only, after making a determination that such
18 waiver would be equitable due to exceptional or un-
19 controllable circumstances affecting the ability of the
20 State to meet such requirements, such as a natural
21 disaster or an unforeseen and precipitous decline in
22 financial resources. No level of funding permitted
23 under such a waiver may be used as the basis for
24 computing the fiscal effort or aggregate expenditures
25 required under this paragraph for years subsequent

1 to the year covered by such waiver. The fiscal effort
2 or aggregate expenditures for the subsequent years
3 shall be computed on the basis of the level of fund-

5 quired.

19 **“SEC. 405. FREEDOM TO CHOOSE.**

20 “None of the funds made available under this Act
21 shall be used to—
